

Warehouse Open Days July 2010

Friday 16th July – 1pm until 5pm

Saturday 17th July – 8am until 1pm

Exalt Group invites, new, prospective and existing customers to visit our Warehouse for an Open Day in July.

Friday 16th and Saturday 17th of July have been the dates selected for Exalt Group to open its doors for the first time and invite prospective new customers, and existing current customers to come and see our main Pick and Pack facility in full operation. This unique opportunity will allow customers to meet with Management and Operations staff, ask questions, discuss pricing and options for Warehousing and Distribution, and see first hand how your business would be handled by Australia's leading Pick and Pack providers.

FREE Sausage sizzle and Drinks provided at the Open Days

The Warehouse Open Days have been designed as a no obligation, informative and light hearted opportunity to see first hand how a range of different businesses selling a diverse range of products have been implemented in a true multi client Pick and Pack environment, and how orders are picked, packed and despatched seamlessly despite the varying levels of identification unique to each client.

Due to the sensitive nature of product held in the Warehouse, entry to the Open Days will be strictly by pre-registration only, and will be restricted to representatives of new and prospective clients only. Only limited areas of the warehouse will be allowed access to respect the security of existing customers.

Pre-registration to the Open Day is mandatory

If you wish to attend one of the open days please email us with your Company name, preference on date, and the names of the staff members attending on the day:

Preferred Date:

Option 1. Friday 16th July – 1pm until 5pm
